*Fees listed under HISA and HISA TFSA include the \$5.00 transaction fee.

What is a TFSA?

TFSAs are registered savings accounts that allow you to earn investment income tax free inside the account. The savings can then be used for a variety of needs.

Why a High Interest Savings Account (HISA)?

This account pays a high rate of interest, comparable to term investments. Interest is calculated on your daily closing balance, paid monthly.
